

## Mocktails

Choose from this selection of refreshing, Christmassy mocktails that still have plenty of cheer for the designated driver or for those who are too young or might not want to drink alcohol but still want to raise a glass.

### ***Seasonal Breeze***

Mix together equal quantities of smooth orange and cranberry juice and slowly top up with a sparkling elderflower drink, as it will fizz up. Stir to combine and pour into tall glasses half-filled with ice to serve.

### ***Blissful Blueberry***

Half-fill tall glasses with blueberry juice and add a good squeeze of lemon or lime juice to each one. Top up with soda water, then add a handful of ice cubes and a couple of fresh blueberries to each one if you've got them.

### ***Mistletoe***

Half-fill tall glasses with ice, then add a dash of lime cordial to each one. Top up with ginger beer and add a squeeze of lime juice to each one. Decorate with a lime wedge.

### ***Christmas Cranberry & Pineapple Punch***

Mix together equal quantities of cranberry and pineapple juice and top up with ginger ale. Pour into tall glasses half-filled with ice and decorate with lime slices and fresh cranberries.
